Bangladesh; An Emerging power charting its own course

The above mentioned topics is one of the most talked issues on the parley of researcher, civil society, think-tanks of country's & abroad.

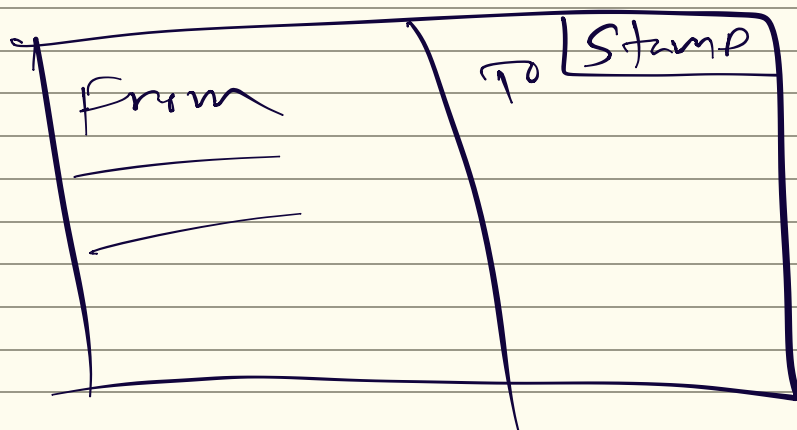

Bangladesh is an Asian Emerging Tiger, some also called "The West Asian Tiger" for its recent noteworthy economic development, once a bottomless basket become a economic tiger, which makes the world surprised/astorished. Bangladesh has made progress in every economic sector i.e rising per capita income, growing GDP size, affluent medical & health sector.
